It was down on the Island of Coney, A youth bets his roll on a pony; When he lost every cent, He remarked, "I am glad, For the money I wagered was phony."

TO THE CITIZENS OF MAYSVILLE

Under my authority as Mayor of your City, it becomes my duty to warn you against the use of all fire-crackers, rockets, roman-candles, pistols, guns, canes, torpedoes, cannons, or other fireworks or substances intended for pyrotechnic display within the City of Mayville.

On account of the danger and probable injury to both life and property occasioned by the celebration of the Fourth of July in each year, compels me to call to your attention the City Ordinance passed by your Council on December 5th, 1910, prohibiting the use of such dangerous substances for pleasure or celebration.

John Deere's Self-Dump Sulky Rake

The First Consideration Has Been Simplicity and Durability!

DURABLE

Axle studs are 1 1/4 inches in diameter, and are reversible and interchangeable, which doubles their life.

Dump rods are of high carbon steel, 3/4 of an inch in diameter. They have four times the durability of the ordinary dump rod, as they are reversible individually, interchangeable and again reversible.

SIMPLICITY

We can rightfully boast that our rake has fewer parts than any rake on the market. Simplicity of construction and proper material, systematically and symmetrically distributed, mean much to users

CHAUTAUQUA

First Day of the Great Event Attended By To Large Audiences

The Chautauqua is here. Bigger and better than ever before. The big tent had its first gathering yesterday.

Last night was an ideal night for the entertainment. The announcer, Mr. H. C. Heffner is a happy exchange from last year; not a word too much, and just the right word in the right place.

The Zeigler-Howe Orchestral Club came up to the expectations of the audience. Each member is an artist, and are worthy of all that has been said and written about them.

Mrs. Lenora M. Lake is a favorite in Mayville, and her handling of the girl question, entertained, interested and instructed the public in the girl problem in a manner convincing her auditors of Mr. John B. Ratto in Character Studies of Life was his second appearance before a Mason County audience. His sketches and impersonations captivated and held the people from his first make-up to the last. Mr. Ratto can come again.

Chautauqua Notes.

Portsmouth opens their Chautauqua with an automobile parade tonight.

WON IN THE NINTH

Single By Curtis Scores the Two Winning Runs After Two Men Are Down in the Last Inning.

With the score standing 5 to 3 in favor of Ironton in the ninth inning Mayville made a whirlwind finish yesterday and defeated the Nailers in the second and last game of their series here. Sanford went to bat for Daugherty and fanned. Chapman lined one to the right field fence for a triple and scored on Dietrich's single. Emery was safe on Kendall's error and both players advanced a base when he booted the ball some more. Donovan knocked an easy pop-up. Curtis put a single through second, scoring both runners.

Dillinger of the visitors was hit hard but he kept his hits well scattered until the ninth inning.

Raemes was hit hard in the 3 1/2 innings that he pitched, but Daugherty allowed only two measly hits in 5 2/3 innings and did not give the Nailers a look in.

(Carlisle Advocate.) At a depth of 29 feet under 20 feet of mud, a creak of butter was found in a well at the old homestead of Col. Mr. Parks has been dead sixteen years, and that the butter was accidentally dropped into the well during his lifetime there is no doubt.

L. & N. RAISES KENTUCKY FARES.

Beginning Wednesday the Louisville and Nashville will raise its rates from Cincinnati to Covington or vice versa to 25 cents, and to Latonia to 20 cents. The former fare was 10 cents to either destination. The reason for the change given by the road is that it was the simplest way by which it could make its rates conform both to the new Kentucky two-and-a-half-cent fare law and to the interstate law governing long and short hauls. The other lines crossing the river announced that the old rates to nearby destinations would remain in force.

ATTORNEY-GENERAL

Rules Negroes May Teach Despite What Superintendent Says.

Frankfort.—Attorney-General Garnett gave to G. P. Russell, of Frankfort, President of the Kentucky Normal and Industrial Institute, his written opinion that diplomas from that institution, signed by all the Trustees of the college except the State Superintendent of Public Instruction, are valid. He says further that such diplomas authorized the holders to teach in the negro common schools of the state.

State Superintendent Hammett did not sign the diplomas this year, and had instructed the County School Superintendents not to permit the graduates to teach in the negro common schools without a special examination.

This opinion of Garnett overrules Hammett. A friendly suit may be filed to get a construction of the statute.

MOTHER OF SCHOOL GIRL

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound according to directions on the bottle and she is cured of this trouble. She was all run down when she started taking the Compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy."—Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

NOT ENOUGH MUSTARD IN TEDDY

Pittsburg, June 30.—Theodore Roosevelt fired the opening gun here tonight in the 1914 campaign of the Washington party, the Pennsylvania branch of the Progressive organization. While the old-time Roosevelt spirit was present, little of the old-time Roosevelt fire was evinced, for the Colonel's voice has been quieted, but 'tis far from being stilled.

DO IT NOW

Maysville People Should Not Wait Until It Is Too Late.

The appalling death rate from kidney disease is due largely to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the sufferer may slip gradually into some serious form of kidney complaint. If you suffer from backache, head-aches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they act where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

Mrs. S. Neal, 497 W. Second St., Maysville, Ky., says: "One of my family had a great deal of trouble from his back and kidneys. Doan's Kidney Pills made him better and he always praises them."

Mrs. Neal is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Neal recommends—the remedy backed by home testimony. 50c all stores. MUSES MILLS.

A bad accident took place about 1 1/2 miles east of Flemingsburg last Sunday about noon, when Merchant J. S. Muse and wife and John C. Wilson and Miss Chloe Muse all of this place, were going to Flemingsburg, in Mr. Muse's new Ford machine. They were running about 15 miles per hour when Irvin Knapp and Ed Hinton of Goddard, who were en route to Maysville and who were running at about 25 miles per hour, undertook to pass Mr. Muse at a very narrow place in the road and while the machine driven by Mr. Knapp struck the front wheel of Mr. Muse's car which after running about 50 feet on two wheels turned completely over on all of the occupants. Mr. Muse managed to crawl from under the car and together with several others that had gathered helped to free the others. Mr. Wilson was unconscious for sometime and was cut and bruised very badly about the head and face. Mr. Muse was badly bruised on one of his legs, and the lady occupants escaped after being badly shaken up and their clothing torn, with but little injury. Drs. Garr and Brice of Flemingsburg were hurriedly called and treated the injured and pronounced them not dangerously wounded. The entire top of the car was demolished and it was taken to the Dudley garage at Flemingsburg for repair.

I hate to pose as an iconoclast, but love has mighty little to do with keeping a man and woman together after they have been married for a while. The average happy home is one in which the wife gets all she wants to wear and the husband gets all he wants to eat.

DEATH OF HON. R. C. BURNS.

(Ashland Independent.)

Hon. Roland Clay Burns, died Sunday night at his home in Catlettsburg after a complication of troubles. In his death Kentucky loses one of her most brilliant lawyers and orators. The county in which he was reared will ever hold him in grateful remembrance for his kindness and goodness to all. He was a man of utmost integrity and in all his official and professional work no narrow views ever actuated him and no selfish ambition ever swayed him from the plain paths of duty to his constituents or clients. He had the full confidence of all his associates. He was a Mason, a staunch Republican and loyal to his party, and the man who counted him his friend was fortunate, for he was indeed a true friend. He was the son of the late Judge John M. Burns, and was born December 1st, 1846, on East Fork, in Lawrence County.

WEEKLY SPORT LETTER.

(By C. H. ZUBER.)

Cincinnati, O., June 30.
That the honesty of the game as a whole is more to the owners of base ball clubs than are the services of a star player or what might be secured in exchange for such a star player, is shown by the action of the Cincinnati club in regard to Outfielder Marsans, the clever Cuban, who jumped the Reds some weeks ago to go with the St. Louis Federals. In granting the Cincinnati club a temporary injunction against Marsans playing with any other team than the Reds, the United States courts practically decided that Marsans had not acted honestly with the local club owners, and that the Federal League had likewise been guilty of unlawful practices in inducing the Cuban to jump his obligation. That there is no place in organized base ball for a player of this ilk is shown by the fact that no other club has made an effort to secure the Cuban from Cincinnati; nor has the local club made an effort to have him return to the fold. Latest reports are that Marsans will return to Cuba some time this week, his unscrupulous and unlawful act having barred him both from organized base ball and from the outlaw Federal League.

With Rube Benton ill and Earl Yingling injured, the Reds have had tough sledding during the past ten days, this crippled condition of the team being responsible for the slump which began with the series in New York and ended, it is hoped, with the four games with Chicago.

The result of the Jack Johnson-Frank Moran bout at Paris Saturday makes it appear as though a real fighter would have no trouble taking the world's championship away from the big Senegambian. When an ordinary "mixed-up" fighter like Moran, who isn't even a good second class man, can last twenty rounds with Johnson, it is plain that the colored man has lost his "kick." It is generally conceded that Sam Langford or "Gunboat" Smith is a better man than Moran, so that if one of these gets on a match with the "world's champion" that title is likely to leave Paris, where Johnson now has planted it, and sail across to Uncle Sam's domain again.

They're all swelled up over in England over the fact that the Shamrock IV is put'ing it all over the Shamrock III in the final races to decide the prospective cup raiser. On this side, in the meantime yachtsmen who know declare that the Resolute, one of the three American yachts now engaged in the contest for the defense of the American's cup, is a better boat than ever before sailed in these races. The Reso-

lute is winning practically all the races from the Vanatie and the Defiance, so that the chances are that this latest Hereshoff boat will meet the Shamrock IV when the real stuff is pulled off in August.

Willie Ritchie and Freddie Welsh are rapidly getting into proper battling form for their championship bout in London on July 7. As yet there has been little betting on the result of this match, the wise ones waiting until nearer ring time before putting down their coin. It is expected that there will be no great odds offered either way, the recent performances of both men casting a little doubt as to their being at their best at this time.

Wouldn't it be fine if our Debtors had memories like our Creditors?

"Mother" Lake Has Message Full of Humor and Good Sense

MRS. LEONORA M. ("MOTHER") LAKE.

IRISH by birth and parentage and with a message that burns its way into the hearts of the people, Mrs. Leonora M. ("Mother") Lake is a speaker of unusual interest. She is to be at the local Chautauqua this season, appearing on the opening day.

"Mother" Lake has an earnest desire to attract attention to the most sacred obligations of life, and her lectures are directed to that end. She is a woman of sound judgment and good sense, and as an orator she presents her subject in a manner that holds every auditor.

Mrs. Lake is one of the most gifted woman speakers on the platform today. She has a splendid delivery, and her lectures, couched in language which even a child can understand, are full of wit, humor and good common sense. She is a rapid speaker, never lacks for a word, her illustrations are clear cut, her arguments are convincing, and her lectures charm and delight all who hear them.

Mrs. Lake will be the afternoon speaker at the Chautauqua today.

"CURSE OF THE HAPSBURG"

Franz Josef has been called "The Emperor of Sorrows."

"The curse of the Hapsburgs" is said by the superstitious to have followed his kin. The "curse" was pronounced by the aged Countess Carolyn, whose son was put to death for participating in the Hungarian uprising. She called upon heaven and hell to blast the happiness of Franz Josef and strike him through those he loved. Thus he has been stricken:

His wife, "the good Elizabeth," was assassinated in Switzerland.

His brother, Maximilian, was executed in Mexico.

His only son, Rudolph, was a suicide.

His sister-in-law, the Duchess d'Alencon, was burned to death in a charity bazaar in Paris.

His favorite grandchild married against his wishes, and her love ended in the shooting of her rival.

And now—

His nephew, the Archduke Franz Ferdinand and his wife, the Duchess of Hohenberg, have been assassinated in the capital of Bohemia.

COLDS AFFECT THE KIDNEYS

Many Maysville People Have Found
This to Be True.

Are you wretched in bad weather?
Does every cold settle on your kidneys?
Does your back ache and become weak?

Are urinary passages irregular and distressing?
These symptoms are cause to suspect kidney weakness.

Weakened kidneys need quick help. Doan's Kidney Pills are especially prepared for weakened kidneys.

Grateful people recommend them. A. Sorries, Locksmith, Aberdeen, O., says: "The action of my kidneys was irregular, and the kidney secretions contained sediment. I had backache and when stooping, it was hard for me to straighten. Colds always settled on my kidneys. I used Doan's Kidney Pills and they stopped the trouble and my kidneys became strong."

The above is not an isolated case. Mr. Sorries is only one of many in this vicinity who have gratefully endorsed Doan's. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Sorries had. 50c all stores. STRANGE AND SINGULAR.

A strange and singular incident occurred in a Pennsylvania town some time ago. The dispatch to the daily papers giving the account of the occurrence says: "On a wagon of \$10 George Konterline downed twelve beers and then swallowed his watch, holding the chain between his teeth. When he jiggled his chain, the watch could be heard splashing about."

COAL-CARRYING LINE FOR THE C. & O. R. R.

Vice President Martin J. Caples of the Chesapeake & Ohio Railroad has returned from New York and has selected the Spah Building in Columbus, for his permanent headquarters.

He says plans have about been completed to build the new Portsmouth-Columbus extension, which is to cover twenty-four miles and cost \$9,000,000, requiring a bridge across the Ohio River near Portsmouth.

The new line is to be a coal-carrying road almost exclusively, with only a few passenger trains.

From Columbus to the lakes the Hocking Valley will carry the coal.

At present all Chesapeake & Ohio coal comes by way of Newport-Cincinnati.

At the Columbus end the new line will start from the "Parsons yards," southeast of the city, and about one mile north of Valley Crossing, where it joins the Hocking Valley to enter Columbus over the Hocking tracks.

It will parallel the Norfolk and Western to Waverly, and from there to the river two routes are proposed.

SLUGGING MATCH

Won By Maysville From Ironton Yesterday By the Score of 12 to 9— Same Teams Play Here Again Today.

In one of the most exciting games of ball seen on the local grounds in a long time Maysville defeated the Ironton Natters in their first game of the series here yesterday by the score of 12 to 9. The game was replete with sensational and wild plays and alternated from one side to the other, with honors about even until the last inning. Both pitchers, Sanford for the locals and Haggerty for the visitors, were hit hard and continuously, but Sanford held the Natters safe in the closing round after the game had been stowed away for him.

Maysville started out with three runs in the first inning. Emery walked, Donovan and Curtis doubled, Emery an Donovan scoring. Ellis singled scoring Curtis. Ellis was caught off first and was called out at second although it looked as if he slid into the bag safely.

In the second a single by Netter, sacrifice by Mace and a single by Sanford were good for another tally.

Ironton tied the score in the same inning. Nally singled and went to third on Clouser's single. Haggerty slammed out a homer to left center clearing the bases. Kendall fled to Curtis. Ostreich was safe on Sanford's fumble of his hunt. Dell was safe on Donovan's error. Pezold doubled, scoring Ostreich and Dell going to third. Smith bounded to Emery who threw Dell out at home. Mace threw to second to catch Smith and Pezold was thrown out at home.

Neither side scored any more until the fifth when Maysville made three more. Chapman walked, Dieterich singled, sending Chapman to third. Dieterich went to second on Emery's out at first. Donovan singled, scoring Chapman and Dieterich, and went to second when Dell fumbled the ball. Curtis fanned. Ellis lined to left for a base scoring. Donovan. Netter fled to Kendall.

With two down in the seventh Ironton forged ahead with four more runs. Kendall singled. Ostreich walked. Dell singled, scoring Kendall. Pezold and Smith singled, scoring Ostreich and Dell. Jackley singled and Pezold scored. Smith was thrown out at home by Donovan.

Maysville got the lead again in the same inning. Emery singled. Donovan forced Emery. Curtis tripled to the right field fence scoring Donovan. Ellis walked. Netter was safe on Clouser's error and Curtis scored. Mace was safe on Pezold's error. Sanford fled to Kendall and Ellis scored. Chapman forced Mace.

With two out in the eighth Ironton scored their last run. Haggerty tripled. Kendall hit to Sanford and was safe at first on Schaffer's bad decision. Haggerty scored. Ostreich fled to Netter.

With one down in the eighth Maysville put the game on ice with two more runs. Emery knocked one through Ostreich for a base. Donovan fanned. Curtis singled and Kendall threw the ball over third. Emery scoring and Curtis going to third. Ellis was safe on Clouser's error and went to second on his bad throw to first, Curtis scoring. Netter fled out.

RIGHT OFF THE BAT.

Ironton is the attraction again this afternoon. Game called at 3:15 o'clock.

Umpire Schaffer was more than rotten and both the fans and players were very much dissatisfied with his decisions.

Haggerty surprised everyone by the way he slugged the ball. He got a home run and two triples in four trips to the plate, and he is a pitcher too. Looks as if they ought to play him in the outfield if he slugs all the time as he did yesterday. Outside of the hitting by Haggerty the hitting by Donovan, Curtis and Ellis featured.

There was a light snow fall at Port Clinton, Ohio, yesterday.

Troops were called to quell disorder by strikers in Turtle Creek and East Pittsburg, Pa.
